

CONNAUGHT CLUBS AUTUMN 2023

Please see the list of extracurricular clubs that are available from Monday 25th September below. Students **must** have their diary signed (or a sticker or card indicating permission to attend a club stuck in their diary) and show this to staff as they are entering the building after having lunch or going to the annexe.

On club days it is best to bring a packed lunch. If this isn't possible and a student has a school lunch, they must arrive with their diary to go into the dining hall at 1pm. Students will receive credits/achievement points for every club they attend.

Students should record the clubs they attend in the club attendance page in their diary and also sign the club register with their full name, date and form upon entering the club.

Club/Activity	Year	Day	Time	Room	Staff Member/s
