Students should register in the main building at 8:20 (arrival to school 8:15) as usual and make their way to the Annexe at 8:35 if they have an exam. Year 11 students have lunch first during this period and leave the main building at 1.40pm to start an afternoon exam at 1.45pm. When not in an exam, students must attend their normal lessons. Mock exams will have a significant impact on preparations for actual exams. Attendance is critical. Special consideration will only be given if the school receives a medical certificate.
