Dear Sir/Madam

Re: Friends of Connaught – PTA

Our secondary school, Connaught School for Girls with the support from the Friends of Connaught committee are holding an end-of-term fundraiser which entails a Winter Fair on the 18th of December 2024

The event is open to all students, parents, staff and the wider community. We will be having a raffle to boost our fundraising and are asking businesses for donations to be used towards the event.

Your support of a prize towards our raffle would be very much appreciated as all monies raised is used for enrichment within the school which will benefit all the students who attend. With the money raised so far, we have been able to have much-needed additional picnic benches and seating for the playground, and additional books for the school library and we have also supported the music department with an electronic piano which is used for performances and shows throughout the year. Our last contribution was to the Drama department to purchase Mic systems to be used for school productions. We will also be contributing towards the Year 11 leavers event so that each student will leave with a token gift to remember their secondary school time.

We hope to raise further funds and support the school with more enrichment. If you have any queries, please contact Samim Patel at [connaughtschoolpta@gmail.com](mailto:connaughtschoolpta@gmail.com) or alternatively you may also contact the school. Thank you for your support, we are keen to work with you within our local community. We look forward to hearing from you.

Yours faithfully

Samim Patel

Committee Chair of Connaught School PTA
