

GCSE Results 2025

Congratulations to our 2025 GCSE students! We are really proud of all the individuals in this year group who have successfully completed their GCSEs and achieved an impressive range of results. At Connaught, we value individual strengths and build resilience over time; this is evident in today's strong results. The students have worked hard, met challenges head-on, been reflective and made the most of all revision sessions. Their hard work is manifest in these well-earned results. As a cohort, they have welcomed feedback and planned this into their revision to achieve the best results possible. A huge achievement today. Well done.

At Connaught this year, no fewer than 98.3% students were entered for the EBacc, with 20.8% students achieving grades in the 9 – 7 range (equivalent to the old A* - A). Ten students achieved straight 9-7 grades, some of whom even achieved all 8s and 9s.
