

Seize the day

EXCELLENCE. RESILIENCE. INCLUSION.

Headteacher: Mr Alexander Silk, MA , NPQH**28th November 2025**

Dear Parents/Carers,

I have a Friday update for you, as always; I hope you have had a positive week. As we come to the end of November and look ahead to a busy and exciting few weeks in school, I am pleased to share this update with you. There has been a purposeful atmosphere across Connaught, with students working hard, engaging well in lessons, and contributing positively to school life. As always, I am grateful for your ongoing support—it makes an enormous difference to the culture and success of our community. This week's update includes important safeguarding information from the Local Authority, reminders about upcoming events, and celebrations of the many achievements taking place across the school.

A reminder that Year 10 Progress Evening will take place next Wednesday 3rd December, from 4.30pm–7.00pm. This is a vital checkpoint as we assess how students are progressing with their GCSE classes, and their focussed study in the options choices. If you have not made appointments with all your daughter's teachers, please use the booking system [here](#) to do so. We look forward to welcoming Year 10 families into school.

The Local Authority has asked all schools to share information with families about dangerous Christmas gifts currently being sold online and in shops, relevant for secondary-aged students as well as primary. Please do take a few minutes to read the guidance from the child accident prevention trust, which can be found [here](#).

Achievement Points

A big well done to all the students receiving achievement points this week. Your effort, kindness and positive contribution to school life do not go unnoticed. Particular congratulations to Aoife (8W) (again!), Setaish (10F) and Zahra (10W), who topped the charts for the entire school with the highest number of APs this week.

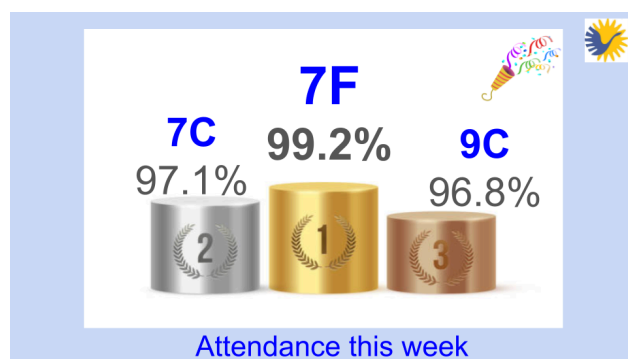

8W have overtaken 8S at the top of the leaderboard with an impressive 828 APs so far this half term.

Attendance Matters

Currently our whole school attendance is 94.3%.

The breakdown by year group is:

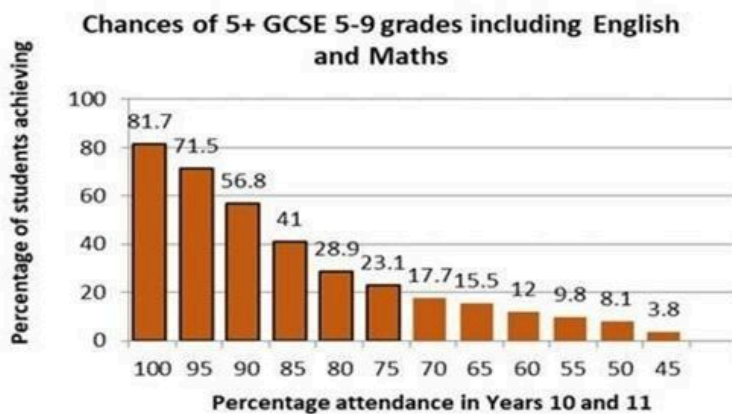

- Year 7 - 95.96%
- Year 8 - 95.78%
- Year 9 - 93.7%
- Year 10 95.39%
- Year 11 - 92.35%

Well done to all those who have met or exceeded our school target this week!

Year 11 Attendance

After our mock exam period we have returned to normal lessons and the GCSE learning continues apace. As for all students it is vital that your daughter attends every day. We would expect Year 11 attendance to be the highest in the school as the link between attendance and GCSE success is clear:

Please check your daughter's attendance % on the Arbor app or on the Attendance Tracker in your daughter's diary and ensure she attends every day to maximise her chances of success.

Cold weather and coats

Winter is definitely upon us which means all students should be wearing warm coats when outside of the building. The majority of the coats are black and a lot of them are the same brand - this can result in students accidentally taking another student's coat. Please ensure your daughter has her name written in her coat, this helps identify when they have accidentally taken the wrong coat, and if they do realise they have another student's coat, please ask them to return it to school the next day and hand it in at lost property.

Next week's assemblies

We are looking forward to visits by an ex-student who works at Kew Gardens and will be telling students all about the work of a botanist during our assemblies next week.

Talent Show

Connaught Winter Talent Show will take place on Tuesday 2nd December, from 3:30 with an approximate end time of 5pm. The event has been designed, created and will be led by our Peer Mentoring Club, who are raising money for their Year 11 Leavers Prom.

In the afternoon/evening we have fantastic talent, incredible judges along with special guests! We will have hot & cold food, a PhotoBooth to take photos with friends or loved ones, competition giveaways along with a live DJ!

Most importantly, we will be having a Hurricane Melissa Drive for guests to provide items (as shown below) to support the recovery and stability for the Jamaican communities affected by the Hurricane. If you wish to donate but will not be attending the Talent Show, you can leave the items in Room 5 during the school day.

We cannot wait to see you next week and we look forward to sharing all the exploits next week! Please see below for the Price List & the flyer!

The flyer features a decorative scalloped border with a black ribbon tied at the top. In the top right corner, there is a small logo for 'Peer Mentoring' with a green leaf motif. The title 'Talent show refreshments' is written in a cursive font, followed by 'PRICE LIST' in a bold, sans-serif font. Below this, a table lists refreshments and their prices. At the bottom, it says 'CONNAUGHT SCHOOL FOR GIRLS'.

Bedrock

We are now in full swing using the new vocabulary and grammar platform, Bedrock. We are seeing great results! **All students in KS3 are expected on a weekly basis to complete 20 points (2 lessons).** Parents and carers can also log on to their child's Bedrock platform with the special code given in a letter a few weeks ago. Once you have logged on, you will be able to see what vocabulary and grammar skills your child has learned, and needs to practice. If you require your code, please email the library, library@connaught-cloud.co.uk.

National Poetry Week Assembly

This week's assembly was a real highlight of the term, as we welcomed visiting poet **Blaize Alexis** to launch our celebrations for National Poetry Week. Blaize delivered an energising and interactive workshop that had the whole hall fully engaged. He performed one of his own powerful poems, then invited students to craft a few lines of poetry of their own.

Blaize also announced the opening of this year's **Young Poet Laureate Competition**, encouraging our students to take part. Winners from each region will be appointed as Young Poet Laureate - an exciting and meaningful one-year role. These young poets will act as ambassadors for poetry, sharing their work, taking on writing commissions, performing at events, and engaging with their local communities.

We are keen to ensure that all students who wish to enter have the opportunity to do so, and we strongly encourage them to take part. Students who wish to enter can write an original poem of up to 40 lines, and hand it in to the librarian by the 8th December. It is a wonderful chance to develop confidence, creativity, and a public voice.

Football Competition

Last Friday , nine Y7 & Y8 students represented Connaught School for Girls in a football tournament.

Sofia Abid 8S-one of the football players said : *“We haven’t been training for long , only since September, but we worked together as a team and **made it to the quarterfinals** ! It was a really intense day , but we got a lot of unforgettable memories, and an amazing experience! There was a lot of adrenaline rushing through us but once we got past the fact that we were already there, we strategised and made it through to the quarterfinals ! Whether we won or lost, the game taught us about how we need to work together when under pressure.*

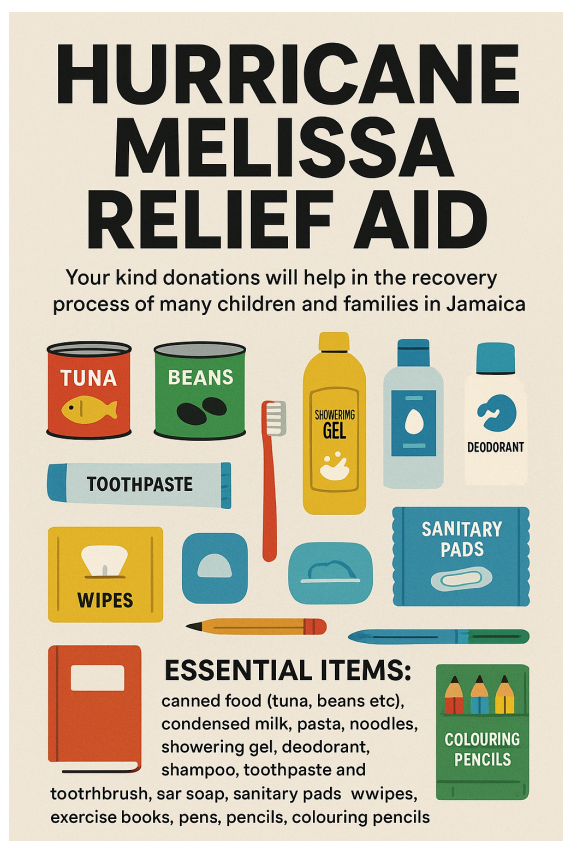

Thank you to the PE teachers for giving us such an amazing opportunity!

The PE department would like to congratulate the team on their fantastic achievement and commend them for representing the school with such pride.

Well done, Connaught!

Hurricane Melissa: Supporting Families in Jamaica

On October 28, **Hurricane Melissa** swept across the Caribbean, leaving behind severe damage in several islands, with **Jamaica among the worst affected**. The storm brought **torrential rainfall, powerful winds and widespread flooding**, destroying homes, damaging roads, and cutting off communities from essential services. Many families have lost possessions, access to clean water, and in some cases, their livelihoods.

At **Connaught School for Girls**, we believe in compassion, global citizenship and standing together during difficult times. Many of our students, families and staff have personal links to the Caribbean, and we know that this devastation is felt deeply within our community.

To support relief efforts and help families rebuild their lives, **the school will be launching a collection of essential items**. We kindly ask parents, carers and staff to donate whatever they can. The following items would be especially helpful:

- Non-perishable food items (tinned goods, dried foods, rice, pasta)
- Toiletries (soap, toothpaste, toothbrushes, sanitary products)
- First-aid supplies
- wipes
- School stationery for children who have lost their resources

All donations will be collected during form time starting week beginning **Monday 17th for years 7-9 and week beginning Monday November 24th for years 10- 11**. Items will be sorted, shipped and delivered to affected families directly in Jamaica.

In times of crisis, even the smallest act of kindness can make a meaningful difference. We thank you in advance for your generosity and for helping us show solidarity with communities in need.

Together, we can help Jamaica rebuild.
